

WHY SUPPORT A LOCAL BUSINESS?

Local businesses are asked to sponsor, donate, and support countless events and organizations throughout the year. Most people know that shopping locally creates jobs and funds services such as roads, parks and emergency services. What many people don't realize, though, is that it also promotes community development.

Support local businesses because they support you!

48% of revenue from independently owned businesses is returned to the local economy. Verses a 13.6% return with chain stores.
