Kansas statute allows for a refund of the unused portion of the motor vehicle taxes and registration fees when a Kansas vehicle has been sold. However, refunds are calculated from the date your application is received in our office and processed, not the date of sale. To maximize your refund, application should be made prior to the last working day of the month the vehicle was sold. Refunds less than five dollars (\$) will not be processed. Pursuant to KSA 8-143 & 79-5107
