A Small Change Can Make A Big Difference!

When you shift \$20 of your weekly spending to a local business it generates \$1.90 in sales tax. But did you know that sales tax revenue is split between the state, the county, and the city? The city keeps just 30¢ and uses it to pay for things like improvements to our streets and stormwater system, and operating and maintaining our aquatic center. **Just 30¢.**

Small change really does impact our community.

3,522 x \$20 x 52 = \$3,662,880 = \$54,943
