Board of Miami County Commissioners
c/o Janet White, County Clerk

Paola KS 66071

Dear Board of Miami County Commissioners:

The City of Fontana City Council would like to endorse the organization of a new city in the northern part of Miami County known as Golden, Kansas.

With the organization, the current residential neighborhood and farmland will be able to uphold their property value and will be a steady tax base income. Miami County will be able to continue to be funded in a fair and equal manner.

It is with anticipation and great favor that we, the City Council of the City of Fontana, KS, recognize the importance of the residents of this area to have the opportunity to establish a city with their own representation to protect their rights. The City Council would like to recommend acceptance and the organization of a new city for the continued growth of Miami County, Kansas.

Sincerely,

Paula Hambleton, Mayor
