****This email originated from outside of County of Miami****

Hello-

My name is Stephanie Harrow, and I live at [22566 Bridlewood Lane in Spring Hill](#). I am writing this email to inform you that I approve of the motion to incorporate Golden, Kansas. We harm no one by doing so, and preserve our life as we have envisioned it. Many people including myself and my family have made our homes in rural Miami County to avoid the encroachment of city life into our surroundings. The peaceful atmosphere that naturally exists on these farms, land and properties would be heavily tainted by the construction of the proposed warehouses.

Please endorse this and recognize how extremely important it is to the residents. We know that you are “for the people” and we look forward to you approving this and showing us your support.

Best Regards,
Stephanie Harrow
