Hello Mr. Vaughan,  
My name is Cheryl Lundberg and I live at 23225 Waverly Road, Spring Hill, which is in the boundary of the proposed incorporation of Golden, Kansas.

I believe that incorporation of Golden, KS will benefit Miami County by cutting down on the truck traffic through the northern part of the county which will cost the county more in road repairs and result in higher taxes for everyone in the county.

I pray that you will vote “yes” for the incorporation of Golden, Kansas.

Sincerely,

*Cheryl Lundberg*
