Road & Bridge Facility
201 S Pearl, Suite 203
Paola, KS 66071

Miami County Road and Bridge,

I hereby submit this request under the Kansas Open Records Act (KORA) to receive an itemized list with cost of all repairs and maintenance performed by Miami County on the roads in the mapped area of the proposed City of Golden, Kansas (map attached) for the past three years, 2018-2020. Please include an itemized list by year, excluding the collector roads that the County will continue maintaining.

Furthermore, I request a list of all budgeted maintenance and repairs for the roads in the same mapped area (excluding collector roads), itemized by year, for the coming 5 years 2021-2025 in order to know at the existing service level what the City of Golden would expect for future costs to keep the residents provided with the same excellent service and maintenance they have been receiving from the County.

If possible for budgeting purposes to include:

Average cost of gravel by mile
Average cost of mowing by mile
Average cost of snow plowing by mile

Any other pertinent information we would need to create an accurate budget.

Thank you for your assistance.

Sincerely,
Jennifer Williams
